Honor the Dead County Clerk.

It is not often that the death of a man of

thirty-four years of age causes such wide spread mourning as that of County Clerk He was essentially a man of the people.

Ite was a self-made man, having risen from the bumblest beginnings to places of onor and trust. This morning, the occasion of his funeral

the streets about the residence of the dead man were thronged with people, best on doing hover to him. Not the perfunctors honor always done in the case of the death of an official, but the sincere, regretfu honor of those who had known " Eddie
